We invite you to come visit us in our new store. We have tried to arrange for the convenience and comfort of our patrons and friends and assure you the very best attention.

Amid the changes we've undergone in changing our location, we've not lost sight of the needs of our trade, but have provided the biggest and best showing of clothing and furnishings for men and boys we've ever shown.

Prices on like merchandise are naturally a bit higher than a year ago, or quality is not so good at the same price, but in most instances we've protected ourselves against the advance by early buying and paying the cash; but don't listen to the man who says there is no advance; he is deceiving you.

Men's and Young Men's Clothing: For a high grade line of clothing, we call your attention to the many splendid things made for us by the "HOUSE OF KUPPENHEIMER" from \$20.00 to \$25.00 and the "Michaels Stern & Co." line of medium priced good clothes from \$15 to \$20.

Boy's Suits and Overcoats: Our "Wood Wear" and "Perfection" lines provide everything that you would want to see both in model and fabric. You won't have an opportunity to buy junk or shoddy materials for we don't buy them. Bring or send in the boy and we will clothe him right and save you money.

Hats and Caps: The well known Stetson hat in all the leading shapes and colors, \$3.50 to \$5. Our own brand hats from \$1 to \$2.50. Caps of every conceivable shape and pattern to please the old as well as the young at 50c, 75c, \$1, and \$1.50.

Sweaters: Here you have a wide range of patterns to select from and quality plus is our talking point. We can find most any man or boy at prices from 50c to \$6.50.

Mackinaws: We carry the Freidman line of Northern made coats that are right. The Northern makers knew how to make mackinaws long before most factories knew what they were, so we are able to talk Mackinaws to you and show you goods with merit both in style and quality at prices that will cause you to buy.

Shirts, Overalls, Corduroy and Duck Clothing, Raincoats and Slickers, Underwear of every description: These we carry in endless variety and at prices as low as can be put on honest merchandise.

Now if you could not, and would not and won't do at all, you can be like the Irishman. The Irishman, the Englishman and the Scotchman who wished to be polite to each other. "And, if I wasn't an Englishman I'd be a Scotchman," said John Ball. "And if I wasn't a Scotchman I'd be an Englishman," said Scotty, the Scot. But Pat said nothing. "Pat," says the Scot, "if you weren't an Irishman what would you be?" Sure and begorry I'd be ashamed of myself," said Pat. How true are the above sensible words; and yet, no man need be ashamed of himself; and yet any man could be made ashamed of himself by trying to be the other fellow. Truth.
